

## Sacred Waters Retreat

May 25<sup>th</sup> - 28<sup>th</sup>, 2023 · Buchanan, Tennessee

Greetings,

We need your assistance! Will you partner with us?

Sacred Waters Retreat LLC. is a holistic herbal retreat designed to hold space for women of color for ritual, healing & restoration. Our organization is seeking sponsors for our three-day retreat (May 25<sup>th</sup> - 28<sup>th</sup>, 2023) and the various activities that will be held during this life-changing 4 day weekend. The goal of this retreat is to empower women to become proactive participants in their lives by taking charge of their health. This allows women to discover and rediscover the vast alternative healing resources that are available in and around our communities.

Unlike mainstream herbal conferences, women of color rarely gain access to sponsors that are willing to step up and support the journey for our communities. We are asking for your support for the Sacred Waters Retreat by becoming a sponsor for the event. We are also seeking in-kind donations, services and products for our presenters & participants. Your donation will contribute to the success of our conference & will help support our scholarship program providing **FREE** registration to **10** deserving women of color from marginalized communities. We are expecting approximately 100 attendees.

Along with your sponsorship, we will recognize your contribution on social media, displays, classrooms and other prominent points during the conference & general assemblies. This conference provides a wonderful format where women of color can gain access to valuable information as they learn, share & grow. Gatherings like these have proven to be extraordinarily successful in other areas of the United States where women of color are underrepresented & disenfranchised because of income and accessibility to affordable quality holistic information and services. We appreciate any support you are willing to offer in this endeavor.

Please feel free to contact me with questions. I look forward to hearing from you.

Thank you.

Iya Sobande Greer & Shana Nunnelly
