<p>WATER... Water Heals and purifies. It quenches our bodies and revives our spirit. We subscribe to the truth that WATER is divine and moves through us all. It is for this reason Sacred Waters Retreat holds space near Rivers, Lakes, Waterfalls & Oceans. We invoke the power of WATER to bring women together through emotion, ritual, and connection to the divine feminine. We are moved to provide compassionate, healing spaces where women can feel safe and nurtured, we offer sanctuary in nature, and encourage fun and exploration as we unite joyfully with our ancestry through sacred ritual. Some paths are best walked alone, and some are walked in profound harmony with others. We want to celebrate your journey to reclaim the SACRED that lies within you. Be moved!</p>
